Shortfall in revenue collection

2832. SHRI VIJAY J. DARDA: Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that only Rs. 80,000 crore worth of revenue has been collected in the last three quarters of 2004-05, which is almost 40 per cent short of the target of Rs. 1,39,000 crore for the full year;

(b) if so, how the targeted amount of Rs. 1,39,00 crore is to be colleted;

(c) whether the uniform percentage of about 25 per cent of the targeted amount was collected in the first and second quarter or there was sudden fall in the third quarter; and

†Original notice of the question was received in Hindi.

(d) what steps Government propose to take so that the targeted amount of Rs. 1,39,000 crore is collected fully?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI S.S. PALANIMANICKAM): (a) No Sir. Direct Tax collections for 2004-05 have been provisionally reported at Rs. 1,31,454 crore as against the Revised Estimates of Rs. 1,34,194 crore (Budgets Estimates were fixed at Rs. 1,39,510 crore) out of which, an amount of Rs. 1,17,527 crore has been collected in the last three Quarters. The collections of last three Quarters constitute 87.57% of the Revised Estimates.

(b) Does not arise in view of reply to para (a) above.

(c) The quarterly collection of direct taxes is not a uniform 25% for each Quarter. The same is based on the advance tax installments prescribed under the Income-tax Act, as a result of which higher collections are received in the later quarters.

(d) Does not arise in view of the fact that the financial year 2004-05 has already come to an end.
